# About us

A newly established cricket club, in the growing and thriving area of North Torquay. A part of the Surf Coast Suns family, which encompasses the football and netball club with facilities and exciting common goals shared at Banyul Warri Fields (Polwarth & Grenville ovals).

We are incredibly energized to create strong and lasting community relationships and value for our partners. As we enter an exciting time for the club, we have welcomed an influx of senior men's cricketers as well as strong demand for our new junior and women's cricket programs.
